

JOE CANTER

Marketing Manager | Creative Leadership | Content Production | Brand Development

+1-615-474-9035 joecanter@protonmail.com www.linkedin.com/in/video-joe portfoliojoe.com Chicago, IL

SUMMARY

Creative video editor and storyteller with 11+ years of experience producing branded content, marketing videos, and documentary-style stories across tech, nonprofit, and B2B sectors. Proven ability to manage video projects independently from concept to final export—including scripting, editing, color grading, motion graphics, and sound design. Skilled in working asynchronously across teams and time zones. Passionate about using storytelling to help businesses grow and connect with audiences.

EXPERIENCE

Creative Lead

Quore

02/2018 - 06/2024 Franklin Tennessee

https://www.quore.com

Quore is a cloud-based hotel management software that helps hotel operators manage their workflows more efficiently.

- Directed video strategy for a SaaS hospitality company, leading the creation of 75+ instructional and promotional videos.
- Worked independently to film, edit, and deliver customer case studies filmed across the U.S. and Europe.
- Translated complex product features into engaging short-form content for marketing campaigns.
- Partnered with design/dev teams on motion graphics and app animations.

Video Marketing Specialist

GDT

03/2016 - 02/2018 Dallas Texas

https://gdt.com

General Datatech is an IT solutions provider specializing in advanced technology solutions for businesses, government, and healthcare sectors.

- Developed visual content for tech industry marketing, including explainer videos, tradeshow reels, and web campaigns.
- Delivered client-facing content with fast turnaround, collaborating remotely with sales and engineering teams.
- Helped secure high-profile accounts through persuasive branded storytelling.

Freelance Video Production

Canter Digital Media / Addison Digital / Various

2012 - Present Global

www.portfoliojoe.com

Versatile Freelance Video Producer with experience in music videos, nonprofit fundraisers, product demos, web docuseries, and more.
